

2010 ENGINEERS WEEK OBSERVANCE

"Engineer for a Day" Program

REGISTRATION AND CONSENT FORM

- WHAT:** An opportunity to spend a day with an Engineer to learn about the field of Engineering.
- WHEN:** During National Engineers Week, **February 16-19, 2010**, at the convenience of the host Engineers.
- WHO:** High School Junior and Senior students of Stark County who are sincerely interested in a career in the field of Engineering.
- WHERE:** At businesses or industries in Stark/Summit County which utilize the services of Engineers.
- HOW:** Complete the application below. Your counselor has complete details.

<p style="text-align: center;"><u>Engineering Disciplines</u></p> <p>From the list on the right, place a "1" beside the engineering discipline that interests you most. Place a "2" beside your second choice. An attempt will be made to match you with an engineer in the field that you have chosen. If there are not enough engineers to match the number of interested students, then you may be assigned to an engineer from another discipline.</p>	<p>___ Chemical Eng. ___ Industrial Eng.</p> <p>___ Civil Eng. ___ Computer Eng.</p> <p>___ Mechanical Eng. ___ Quality Control</p> <p>___ Electrical Eng. ___ Construction</p> <p>___ Metallurgical Eng.</p>
